

## Luxury Dining on Boston Atlantic Wharf

The second Smith & Wollensky restaurant in Boston, Massachusetts, is located at 294 Congress Street, on the waterside back corner of the bridge, one block off the new Rose Kennedy Greenway. Part of the Smith & Wollensky Restaurant Group, the restaurant opened Fall 2011 and has the classic steakhouse design, with an updated feel and hints of its industrial warehouse origin. The interior is designed with rich wood, supple leather, custom antique light fixtures and floor-to-ceiling windows. The restaurant features a full-service oyster bar and large outdoor patio. The location will soon be one of Boston's most acclaimed dining venues.

The inside dining room and bar will seat up to 280. The outside patio offers dining, full-service bar and lounge seating for up to 125.

Several intimate private spaces with water views are perfect for social and business events for 8 to 45 guests. The Patriot Corner offers sliding glass partitions for a view of the bar. The Cellar is the largest and most private space, with all glass walls and a view of the wine library. The patio and main dining rooms can be booked for receptions and partial or full buy-out functions. Available for full restaurant buyout receptions up to 500.

The restaurant is open seven days a week. Monday through Saturday from 11:30 a.m. to midnight and Sunday from 11:30 a.m. until 11:00 p.m.
